### SPONSORING NON-RESIDENTIAL CHILDREN FOR SCHOOL

Before, YKPA conducted informal schooling for children living in slums ('slum school') in their home area. Now, that their parent or 'responsible' person trusts us, we transport the children to our orphanage for schooling. There, they attend classes, get a meal, participate in some activities, and may receive healthcare. Afterwards, we take them back 'home' so they can go begging. They are allowed to come to us if they can still make money begging. Eventually, we hope to have skills training and income producing opportunities so they don't have to beg.

Children already sponsored, and those still needing sponsors have photos at <http://ykpa.org/ykpaSAC.html>.

**UNSTABLE POPULATION:** Please realize that this group of kids is not a stable population. Their lives are erratic as demands on them change. There is a core group that attends frequently, and the rest attend sporadically. A child we assign as sponsored by you may leave and never return. We are happy they can obtain as much attention and schooling as we have the opportunity to give.

These kids are not available enough to be learning to send email to their sponsors as the residential kids eventually are. Because of all this, we ask sponsors to be flexible to which child you sponsor...it changing if a child disappears or attends rarely. Being 'sponsored' by a foreigner has a psychological being-cared-about boost to these kids.

**COSTS & SENDING MONEY:** It currently cost YKPA \$20 dollars/month/child (\$240/year) for the expenses of staff, transportation, a meal, teacher, supplies and limited basic emergency healthcare.

We encourage you to use Paypal to transfer funds as it is the cheapest way to send money we know of (having fees of about 4%). We have completed their rigorous requirements which allow us to have a charity/nonprofit account, and donations are deposited into our official organization bank account. On the Paypal website ([www.paypal.com](http://www.paypal.com)), the code to send us donations is: **ykpa.bali@gmail.com**

**CONTACTING US:** Our Secretary ( "[Surya](mailto:surya@ykpa.org)" <[surya@ykpa.org](mailto:surya@ykpa.org)> ) handles normal email communications.

If you would please, give us this information: Name(s), City and Country, Phone, email.
